Dear Sinna,

Thanks for your email. We are much pleased that you are all willing to help the Vanni Students staying in our College Hostel since 2006.

They have not met their parents and family members since August 2006. Many of their parents have gone into the displaced peoples' camps in Vavuniya and in Jaffna. The whereabouts of some of the parents is not known yet.

We are aware that these students are going through severe stress. We are trying to provide all their needs; Food, Accommodation, clothing, Tuition fees and all the rest.

I am glad that you have made a proposal to assist them in some way. The Total Expenses for a student for a month will be around 5000/= (Sri Lankan Rupees) If you could get hold of some of your friends to help these students, it will be a great help. The students too will be very grateful to you and remember you for your timely help rendered at their hour of need.
